

MR780

MCD750

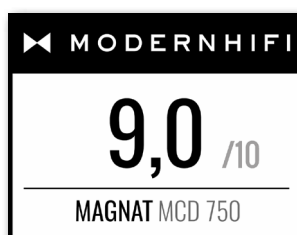

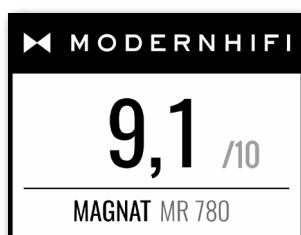

“This is a hifi system that perfectly unites classic and modern elements.”

*tested with Magnat Humidor bookshelf speakers

„Regardless if the music comes from the radio, from a vinyl, a smartphone or a notebook, the MR 780 always transports it in first-class quality with pleasant tube sound and substantial power to the speakers. The MCD 750 complements the hybrid receiver with CD playback of the same quality. The look also matches perfectly. This is hifi nowadays.”

Conclusion MR 780:

„The sound impresses with agility and a musical touch. The price-performance-ratio is fully exploited.“

Conclusion MCD 750:

“Magnat’s MCD 750 pleases everybody with its understated design, the virtually silent playback and a powerful, clear sound.“
